

## ENVIRONMENTAL POLICY

**ROYD TOOLGROUP UK LTD** recognises the importance of environmental protection and will comply with all environmental legislation, regulations and appropriate codes of practice relating to the processes and activities of the company. This policy impacts on key suppliers and customers. It is the company's objective to co-operate and maintain good relations with all regulatory authorities.

The Organisation operates an Environmental Management System that has gained ISO 14001: 2015 certification, including aspects specific to its scope of certification.

It is the declared policy of **ROYD TOOLGROUP UK LTD** to carry out all reasonably practicable measures to continually improve its environmental performance. Wherever possible, the company aims to:

- Assess the environmental impacts of the company's activities during day to day running.
- Reduce the amount of waste produced.
- Reduce the consumption of raw materials, water, and fuels.
- Use recyclable and renewable materials in place of virgin products where possible.
- Lessen the risk to employees and members of the public from processes and activities associated with the company.
- Work with key suppliers to encourage them to develop environmental best practice.
- Sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms (including our suppliers use of water, energy, and raw materials).

The company will foster environmental awareness and understanding in all employees, suppliers, customers, and other stakeholders. Where practicable, the company will provide information and assistance to suppliers and customers on environmental issues arising from its products and services.

This policy is publicly available upon request.
